

Call for Tutorials

Deadline: December 31, 2009

Send proposals to Michael Gerndt (michael.gerndt@in.tum.edu)

CLUSTER 2010 will host tutorials on Monday, September 20, 2010 and Friday, September 24, 2010. We welcome proposals for tutorials related to all aspects of cluster computing and high performance computing. A complete list of topics of interest can be found in the CLUSTER 2010 call for papers. See the previous CLUSTER conference (<http://www.cluster2009.org/>) for example tutorials. Please submit a proposal of up to 2 pages to Martin Schulz (schulzm@lnl.gov) on or before December 31, 2009.

Please include in your proposal:

- title of the tutorial
- organizers, presenters, and their affiliations
- abstract of the tutorial
- a list of topics to be covered and some of their related bibliography
- expected duration of the tutorial; i.e., 1/2 day or full day
- if the tutorial was previously held, the location (i.e., which conference), date, and number of attendees at the last tutorial
